Statement of intent

Spring Meadow Infant and Nursery School understands that, under the Equality Act 2010, all schools have a duty to:

- Eliminate unlawful discrimination, harassment and victimisation;
- Advance equality of opportunity between people who share a protected characteristic and people who do not share a relevant protected characteristic.
-
- Foster good relations between different groups; and
- Promote mental health and wellbeing.

Our school's overall values are underpinned by our statutory duties under the Equality Act 2010. We are dedicated to ensuring that every pupil receives an education that offers them the best chance at fulfilling their potential, and to promoting mental wellbeing amongst our pupils. We are committed to supporting and celebrating all pupils' individual identities. We have zero tolerance for any type of discrimination. We have developed this policy to provide a clear framework for how we will achieve our school's aims.

Our school's demographic state is directly linked to our overall aims for achieving equality. Specifically, we aim to:

Eliminate inequality based of socio-economic factors and challenges relating to our population arriving in our school with English as an additional language.

To achieve our aims, we will adopt the following methods:

- Embedding equality within teaching and resources
- Using key progress and attainment indicators to understand the needs and characteristics of our school
- Promoting community cohesion
- Promoting parental engagement
- Investing in regular staff training
- Using key data, such as measures of wellbeing, to monitor the progress of pupils with protected characteristics
- Regularly reviewing our equality policy to ensure it reflects current trends and issues

3. Forms of discrimination

Discrimination is generally prohibited unless there is a specific legal exemption. Discrimination may be direct or indirect and it may occur intentionally or unintentionally.

3.1 **Direct discrimination** occurs where someone is treated less favourably because of one or more of the protected characteristics outlined in Appendix A. For example, refusing to admit a pupil because of their race.

3.2 **Indirect discrimination** occurs where a school has a policy or practice in place that applies to all pupils but puts people with the same protected characteristic at a particular disadvantage. For example, a school rule that bans certain hairstyles, that would disproportionately affect pupils from a particular ethnic origin. Such a requirement will need to be objectively justified.

3.3 **Harassment** related to any of the protected characteristics is prohibited. Harassment is unwanted conduct that has the purpose or effect of violating a pupil's dignity, or creating an intimidating, hostile, degrading, humiliating or offensive environment for them.

3.4 **Victimisation** is also prohibited. This is less favourable treatment of a pupil who has complained or given information about discrimination or harassment or supported someone else's complaint.

4. Protected characteristics

- 4.1. Staff will not discriminate against, harass or victimise a pupil, or prospective pupil, because of their:
 - Gender.
 - Race.
 - Disability, which includes mental health, encompassing prejudiced assumptions, attitudes or behaviours related to mental health.
 - Religion or belief.
 - Sexual orientation.
 - Gender reassignment.
- 4.2. Staff will not discriminate against a pupil, or prospective pupil, because of a characteristic related to a person, such as a parent, with whom the pupil or prospective pupil is associated.
- 4.3. Staff will not discriminate against a pupil, or prospective pupil, because of a characteristic which they are believed to have, even if the belief is mistaken.

5. Sex

For the purpose of this policy, sex refers to their biological assignment at birth depending on their reproductive organs. The school understands that some pupils identify as a gender different to the sex they were assigned at birth, and we will support pupils through their transitioning phases.

- 5.1 Staff will ensure that pupils of one sex are not singled out for different or less favourable treatment from that given to other pupils.
- 5.2 The school will only separate pupils by sex where there is reasonable justification or if one of the following applies:
 - Children will suffer a disadvantage connected to their sex
 - One sex has needs that are different from the needs of the other sex
 - Participation in an activity by pupils of one sex is disproportionately low
- 5.3 The school will consider non-statutory exceptions on a case-by-case basis and regularly review the impact of any separation to ascertain whether it remains lawful.
- 5.4 Children will be offered an equal opportunity to undertake any activity in the school, e.g. in relation to technology lessons all pupils will be allowed to choose which skills they learn.
- 5.5 Occasions where Children are separated to be taught in single-gender classes will be documented and the separation justified to ensure parents, Ofsted and, where necessary, the wider community can understand the reasons behind segregation.
- 5.6 There may be occasions where we deem it necessary to teach some subjects in single-sex classes, but the school will ensure that such classes do not give pupils a disadvantage when compared to pupils of the other sex in other classes. Occasions where pupils are separated to be taught in single-sex classes will be documented and the separation justified to ensure parents, Ofsted and, where necessary, the wider community can understand the reasons behind separation. Where a subject is taught in a single-sex class, trans pupils will be allowed to attend the single-sex class that corresponds with the gender they identify with.
- 5.7 Pupils' age and stage of development will be taken into consideration before segregating sports teams.
- 5.8 Both sexes will have equal opportunities to participate in comparable sporting activities; where segregation is deemed necessary, the single-gender sports teams will receive the same quality and number of resources.

6 Race and ethnicity

- 6.1 Staff will ensure that pupils of all races and ethnicities are not singled out for different and less favourable treatment from that given to other pupils, regularly reviewing our school practices to ensure that they are fair.

- 6.2 Staff will ensure pupils with English as an Additional Language (EAL) are treated equally and fairly, while ensuring they are supported at all times. The school will not separate pupils on the basis of their race or ethnicity.
- 6.3 The school may, however, take positive action to alleviate any disadvantage experienced by those with protected characteristics, and to address the particular challenges affecting pupils of one racial or ethnic group, where this can be shown to be a proportionate way of dealing with such issues.

7 Disability

- 7.1 Staff will ensure that pupils with disabilities are not singled out or treated less favourably than other pupils simply because they have a disability, which includes any mental health issue, regularly reviewing our school practices to ensure they are fair.
- 7.2 The school will avoid implementing rules that could have an adverse effect on pupils with disabilities (e.g. by making physical fitness a basis for admission,), unless it is for a legitimate reason and is a proportionate way of achieving that legitimate aim.
- 7.3 We will ensure that we do not discriminate against pupils with disabilities because of something which is a consequence of their disability (for example, by not allowing a pupil on crutches outside at break time because it would take too long for him/her to get in and out), unless it is for a legitimate reason and is a proportionate way of achieving that legitimate aim.
- 7.4 The school will endeavour to will make any reasonable adjustments for pupils who are disadvantaged due to their disability. The school will provide auxiliary aids where necessary to ensure the full inclusion of pupils with disabilities, especially where the pupil also has SEND but does not have a SEND statement or EHC plan.
- 7.5 The school will meet its duty to undertake accessibility planning for pupils with disabilities and ensure that an Accessibility Plan is implemented – in accordance with the LA accessibility strategy – and reviewed where necessary.
- 7.6 The school adheres to its SEND Policy containing further information addressing equal opportunities for pupils with SEND.

8 Religion and belief

- 8.1 Staff will ensure that pupils are not singled out or treated less favourably because of their actual or perceived religion or belief, their lack of religion or belief, or their association with someone who holds a particular religion or belief.
- 8.2 Staff will ensure that pupils are provided with the appropriate space in which they can practice their faith, e.g. to perform their daily prayers.

8.3 Absences in relation to religious observances will be handled in accordance with the school's attendance policy.

8.4 The school will liaise with local religious leaders of all faiths to inform the amount of leave pupils will be granted in relation to religious observance.

9 Sexual orientation

9.1 Staff will ensure that all gay, lesbian and bi-sexual pupils, or the children of gay, lesbian or bi-sexual parents, are not singled out for different or less favourable treatment from that given to other pupils.

9.2 The school will ensure that pupils are taught about the nature of marriage, including same-sex marriage, by presenting the facts of English and Welsh law. Marriage will be taught in a way that is appropriate to the age and level of understanding and awareness of the pupils – teachers will not offer personal opinions when discussing marriage in RSHE. The school will educate pupils on positive relationships, families and gender identities within the LGBTQ+ community where the school considers this to be appropriate. RSHE lessons will be taught in accordance with the school's policy, school curriculum, and anti-discrimination duties towards staff and pupils

10 Gender reassignment

The Equality Act 2010 defines gender reassignment as applying to anyone who is undergoing, has undergone or is proposing to undergo a process (or part of a process) of reassigning their sex by changing physiological or other attributes

10.1 Staff will ensure that pupils are not singled out or treated less favourably in relation to gender reassignment, i.e. because they are trans or have trans parents, siblings or other family members. The school recognises that gender reassignment does not necessarily involve physical change and can be solely social and emotional.

10.2 Pupils will be supported to dress in a way that reflects their gender identity, in line with the requirements of the School Uniform Policy and in accordance with current equality legislation.

10.3 The school will ensure that there are suitable toilet facilities for pupils to use, including:

- Gender specific toilets and changing facilities
- Private changing facilities if needed

10.4 The facilities will be made available to all pupils and pupils can use the facility they feel most comfortable in. The school will support trans pupils to feel comfortable and ensure they can celebrate their identity.

10.5 The school will ensure that there is a designated safe space within the school where trans pupils can discuss issues of gender without fear of discrimination.

10.6 The school will abide by its LGBTQ+ Policy containing further information addressing equal opportunities for trans pupils.

11.1 Admission of LAC, and previously LAC (PLAC), will be undertaken in accordance with the requirements of our Admissions Policy.

11.2 Staff will ensure that pupils are not singled out or treated less favourably because they are looked after, or have previously been looked after, by the state.

11.3 A personal education plan will be created, and implemented, for all LAC and PLAC, to ensure that their education and development needs are fully covered, including appropriate transition and catch-up support to ensure that they do not fall behind.

11.4 Staff will ensure that any SEND that a LAC or PLAC has, are duly taken into account and addressed, whether this is with or without a SEND statement or EHC plan.

11.5 The school adheres to our LAC Policy containing further information addressing equal opportunities for LAC.

12.4 The observation of inclusive teaching strategies is a key aspect of the SLT's annual programme of monitoring.
