

Spring Meadow Infant and Nursery School

Kind, Independent, Inclusive, Resilient, Creative, Knowledgeable

Headteacher's Comment- Laura Fielding

This week at Spring Meadow we have been focussing on our school value resilience. It has been great seeing the children show resilience in every aspect of school life, from playing with friends in the playground to trying their best in their learning. Next week we will be focussing on being independent. It is with sadness that I have to inform you that Alice Carter will be leaving us at the end of the academic year. We would like to thank her for all of the support she has provided to so many children and wish her all the best in the future. I will keep you all updated on her replacement. I would also like to extend a warm welcome to Kimberley Spencer who will be joining us very soon to work as our Thrive practitioner. This will be a great support to the school and the children's mental health. I hope you all have a lovely weekend!
