

## Weekly Newsletter

15<sup>TH</sup> March 2024

It has been a lovely week at Spring Meadow. The Year Two children enjoyed a trip to the Cathedral.

Year One have been busy practising their production. Reception, Clover and nursery have been enjoying learning about growing and planting. We are looking forward to the choir performing at the Ely music festival on Monday.

### IRock Band

It has been wonderful having IRock in schools every Wednesday and I know the children who have participated have thoroughly enjoyed it. Further to Mrs Jones' letter, it is with sadness that, due to budget cuts, we will not be able to continue with this unless we have more paid places by parents. The cost is £38.95 per month which provides 30 minutes of tuition every Wednesday morning. This provides them with an opportunity to try the guitar, vocals, keyboard and drums and there is a concert at the end of each term. If you are interested, please log in and register via this link [Enrol | iRock](#) [Rock and Pop Band Lessons \(irockschool.com\)](#) If we do not have enough children enrolled by Wednesday next week we will sadly have to end this offer.

### Parents evening

A reminder that parents evenings are taking place next week. Please book your appointment via parent booking. If your child attends nursery please use the sign up sheets.

### After school clubs

After school clubs will be continuing next term. At the end of next week we will be sending out more information about signing up for the summer term. Remember these are on a first come first serve basis.

### Parking on the road

Please can I remind you to park considerately on the road. There are times when cars have parked close to Martin, the Lollypop man, and this makes it unsafe for Martin and the children crossing the road.

### Speed limit

Just to make you all aware that the speed limit outside the school is changing to 20mph.

### Red Nose Day

Thank you to everyone who donated for the Red Nose Day, Comic Relief.
