12th January 2024

Welcome back to the Spring Term. I would like to wish you all a Happy New Year. It has been lovely seeing all of the children rejuvenated and ready for learning this term. The children have come back happy and are already back into the swing of learning. Please see below the updates from this week. I hope you all have a lovely weekend.

PE KITS

Many parents have enquired as to why we have changed back to changing for PE. The reason was we found many children were finding it tricky to get coats on and were unable to change themselves and as this is a key skill which is in the Reception framework under self-care, we thought it important to give the children the opportunity in school to practise. As well as this, it is proven that for a hygiene perspective the children should change for PE as they should not be in sweaty clothes following the sessions. We understand this is a change for the children but it will soon become the norm. In Year Two the children will be split by gender to change. This is only reverting back to how all schools have changed into their PE kits as this has always been the recommendation for PE. If you would like to discuss your child's individual needs in regards to this matter, please speak to their class teacher.
