

# Spring Meadow Infant and Nursery School

Kind, Independent, Inclusive, Resilient, Creative, Knowledgeable

## Headteacher's Comment- Laura Fielding

Firstly, I would like to say how proud I am of the children. They make this school the wonderful place it is. Following our visit yesterday this was so evident and you should be so proud as parents too. Unfortunately, I cannot tell you any more details about yesterday until the letter has been finalised but will send you all a copy once it has been agreed. I have had quite a few parents asking about the changes we are making to the curriculum. Since Easter we have started using and developing a knowledge curriculum using The Primary Knowledge Curriculum (PKC) and Kapow. These are really ambitious and have a real focus on ambitious vocabulary. Each subject has a knowledge organiser which you can access on the website class pages which will help you support learning at home. In the Autumn term, the school will be hosting a curriculum evening, where the staff will be able to talk to you about the curriculum in each year group. I would also like to briefly share with you our plans to celebrate the Queen's Jubilee. On Tuesday 7<sup>th</sup> June, the children will have a street party style lunch with traditional English games. More information will be sent out by Mrs Kansu. I hope you all have a relaxing weekend!
